

Chafers

Roll Top 216

Classic 218

The Elia range of Chafing Dishes is unique in its aesthetic appeal whilst still being highly functional. Made from the highest quality 18/10 Stainless Steel, this premier collection of chafers is both user friendly and beautiful.

The collection features designs that are both classic and contemporary to suit any dining situation. All Elia Chafing Dishes are constructed from a heavy gauge stainless steel to ensure optimum stability and durability for the end user.

Roll-Top Chafers

These 18/10 heavy gauge Stainless Steel Chafing Dishes incorporate a roll top mechanism that has a smooth open and close function for ease of use. This easy serve adjustable lid stops at 90 or 180 degrees, and the lid can be removed entirely for easy cleaning. Comes complete with food pan, water pan and water collector pan to collect condensation. Suitable for use with standard chafing fuel or heating elements.
